

To ensure the safety and happiness of all our guests we have instituted certain policies and procedures regarding your pet to be followed during your entire stay with us.

Pets are allowed to stay in tipi or prospector tent accommodations. Requests to have your pet stay must be made at time of booking to ensure availability. **All pets are required to be present at check-in upon arrival at the property!** Failure to notify the ranch at check-in of bringing a pet on property will result in possible eviction from the property and a surcharge of \$ 100.00 added to your hotel bill in addition to the daily pet fee of \$20.00 per pet, per day.

Pet Policy to be signed at check-in

The pet must weigh less than 45 pounds, unless specific arrangements have been made for pets over 45 pounds. There is an additional charge of \$20.00 per animal per day. (Max. 2 animals per room), and a refundable deposit of \$100 provided at check in. The ranch advises against leaving your pet unattended but if the need should arise, we ask you to notify the front desk and leave a telephone number that you may be reached at in case of emergency or noise complaints.

Pets must be on their leash or in a pet kennel when in common areas of the ranch at all times and are prohibited from food service areas. Owners must pick up all pet waste and dispose of it in any of the outside garbage receptacles only.

The pet is to be properly controlled at all times while on ranch property.

When away from your room please keep your pet in a secured kennel/cage to ensure safety of our staff and your pet. Any contravention of applicable statutes, laws, or regulations respecting the welfare of the animals will be reported to the proper authorities.

As the registered guest you are financially responsible for any possible damages caused by the pet including lost potential ranch income. You are also responsible for any excessive and / or exceptional cleaning charges at the hotel property. This includes, but is not limited to pet odours, pet stains and excessive hair.

You will be given an opportunity to eliminate any noise complaints from other guests. In the event you are unable to satisfy this clause you will be asked to leave the property and could be financially responsible for any and all costs associated with appeasing the guest complaints.

It is the strict policy of this ranch to have any guest bringing a pet, that this form be signed and adhered to. If you are uncomfortable in signing this form (at check-in), then we are sorry, but we will be unable to accommodate you.

I have read and I agree to adhere to this pet policy and all its terms outlined.
